Headteacher Message

Hello,

There have been many highlights to this week. Firstly I would like to share with you how wonderful it is to see the children coming into school smiling and using their Makaton sign for good morning. Our ethos encouragers group, the KS1 and KS2 classes are preparing for the Harvest performances so we hope that parents will be able to attend these. Year 6 had a trip to St Paul's church on Wednesday which they thoroughly enjoyed. Their behaviour was excellent throughout the whole event. The Careers convention was a privilege to organise. It was a wonderful opportunity to hold a community event here in school. We had a whole range of people with different roles in society. They included The Deputy Mayor, Father Guy our school vicar, a Solicitor, the armed forces (RAF, Army and Navy), local police officers, a local Imaam, Personal Trainer, Midwife, School Administrator and Business Manager, Virgin Atlantic Cabin Crew Supervisor, Optician, Cook, Teachers, Teaching Assistants, Bertie Bee and a footballer. The children were full of enthusiasm and asked lots of interesting questions. In class they talked

about other roles and more creative jobs too. Our children shared what they wanted to be when they grow up and these included an astronaut (The RAF are starting a group for this), a pilot, dancer, doctor, vet and many more.

We have a school beetledrive event next Thursday at school, tickets are £2.50 for adults and £1 for children, and there will be tea, coffee and juice available. Please do buy tickets on Parentpay and come along and support us.

Have a lovely weekend.

Rocksteady Parent Survey HP

Hi Parent or Guardian,

Would you be interested in fun and inclusive band lessons coming to your school?

With Rocksteady Music School, children learn to play an instrument through weekly rock and pop band lessons. It's the perfect way to master new musical skills, make friends and have fun – all at school! Rocksteady lessons are also shown to boost confidence, wellbeing, social skills and even academic achievement.

Your child will learn to play songs instantly through listening and playing. There's no music theory involved, and lessons are designed to be fun, inclusive and accessible. They will be making progress in every lesson and can also achieve an Ofqual-regulated music qualification, accredited by Trinity College London, without having to take a single exam!

Here's what else you need to know:

- Most lessons take place during the school day. There's no experience necessary and all instruments for lessons are provided.
- You can choose if they shine on vocals, keyboard, drums, guitar or bass.
- Proudly watch as your child performs in their end of term concerts, showing just how far they have come!
- Rocksteady band leaders are professional musicians who inspire a passion for music and support your child every step of the way.

Lesson are £46.48 per month with nothing to pay in August. There's a money-back guarantee for the first month and you can cancel at any time. Places are offered on a first come, first served basis.

If you would like Rocksteady to come to you school, please register your interest in lessons by completing this form today: https://form.jotform.com/RocksteadyMusic/nelson-st-pauls-church-of-england-p

Best wishes,

Find out what parents say about Rocksteady

My daughter loves her Rocksteady lessons. She has fun, learns new skills and builds her friendships during school time.

Sade

I love the exam-free qualifications, as the focus is my child's enjoyment of music and learning without the pressure of an exam.

Juliet

The concerts are a brilliant opportunity for the children to develop their music skills and increase their confidence together.

Grace

Rocksteady has given my child the confidence to perform in front of his whole school.

Michelle

Our child looks forward to every lesson. Watching him and the whole band was an honour – it's amazing to see their progress and teamwork!

Stanislava

My children eagerly anticipate their lessons and come home excited to share what they've learned. It's wonderful to see!

School Attendance

Have you ever thought about why good school attendance is important?

Going to school regularly helps children to build strong habits like time management, routine and responsibility. These are important skills in school and life, and can help to build a better future for your child. Good attendance in school, leads to good attendance in further education and in then in the workplace.

Pupils who attend school regularly, find it easier to develop good friendships. This often means that they go on to have a happier social life and are able to take care of their own wellbeing.

Better school attendance, leads to better attainment. Better attainment leads to better job prospects, better job prospects lead to a happier life.

Attendance record and lessons missed

Attendance record and lessons missed

- **95% attendance means 50 missed lessons. This means a child missed about 10 days/2 weeks of lessons in the school year.**
- **90% attendance means 100 missed lessons. This means a child misses four weeks of lessons in the school year.**
- **85% attendance means 150 missed lessons. This means the child misses almost 6 weeks of lessons in the school year.**
- **80% attendance means 200 missed lessons. This means the child misses over 7 weeks of lessons in the school year.**
- **75% attendance means 250 missed lessons. This means the child misses about 9 weeks of lessons in the school year.**

How does 'lateness' affect my child?

Being late on a regular basis is often stressful for children, as they can become very self-conscious about entering the classroom.
When a child arrives a few minutes late to school, they miss teacher instructions and introductions.
When a child arrives 10 minutes late, they miss learning time, such as: Handwriting, mental maths or spelling practise.
If your child is half an hour late, they will miss all of the above plus a chunk of maths, literacy or phonics teaching!

Can action be taken against me if my child is regularly late for school?

Yes. Should your child's lateness continue despite efforts to change this pattern a Penalty Notice will be considered. The school could also involve the Educational Welfare Officer (EWO) to complete an assessment and implement a plan.
The process is exactly the same as for Absence and can result in legal procedures.

The school day begins at 8.50am. Your child should be sitting ready to learn at 8.55am

Minutes late per Day	Equates to Days of Teaching Lost in one Year	Which means this number of lessons missed
5 mins	3 Days	15 Lessons
10 mins	6 Days	30 Lessons
15 mins	9 Days	45 Lessons

What **help** can I get with my child's lateness?

Lateness Matter!

When a child arrives late in school it often means that extra time is spent on settling them into class. This can cause disruption and disturb other children in respect of their learning.

It impacts on other children and the adults in school when children are regularly late.

Expecting to be late after 9.00? If you are on your way to school but have been delayed unavoidably then it helps to ring the school office and let them know that your child is coming. In that way adults in class can be made aware to expect them and issues such as lunch can be confirmed.

2027 school Admissions - window now open!

The application process for pupils beginning Primary School in September 2027 is now open.

The deadline for applications is 15th January 2027

- The classroom doors open at 8.50am, with the exception of the Butterflies and Busy Bees, who open at 8.45am. They close at 8.55am promptly. If you arrive after this time, you must take your child to the main entrance and sign them in. Please **do not** knock on the classroom door or try and gain the attention of a member of staff to open the door.
- If for any reason, we have to make the decision to close school - you will be informed as soon as possible via the SchoolApp. Please make sure that you have access to this app, as we use the messaging facility frequently. If you need any assistance with this, please speak to a member of staff from the office.
- Full uniform must be worn at all times, this includes appropriate footwear - not trainers. Trousers, skirts and dresses should be black, with white polo shirts.
- Long hair MUST be tied back at all times.
- Earrings cannot be worn for PE. We are unable to cover earrings with plasters, so any pupils who are unable to remove their own earrings will not be able to participate in the lesson. Any earrings worn in school (not for PE), should be small studs or sleepers.
