Friday 2nd October 2026

Headteacher Message

Hello,

This week we held our open evening for families that are interested in sending their children to our school. This was a successful evening and the teachers put together some lovely PowerPoints in their classrooms to showcase all the wonderful things we have to offer here.

The Ethos Encouragers have been meeting regularly with Mrs Jefferys and I to practise their performance for the Harvest Assemblies. In addition to this they are very lucky to be attending Whalley Abbey to celebrate the Harvest and enjoy some activities with the groups from 9 other schools.

We would really like for some more children to join the 'Lets go sing' choir. They will enjoy singing some really exciting songs for a short time after school on a Monday and have the opportunity to perform for parents and also on stage with many other schools at the end of the year.

Please remember that if you would like for us to pray for anyone in the community then please do let us know. We will set up an effective system for a prayer list so please watch this space.

Next week we are having a careers convention in school so that we can inspire children about the future. They will be able to speak with the Mayor, a doctor, Bertie Bee, administrator cabin crew, a midwife, optician, PCSO. Personal Trainer and a few more. If you have a trade or you have a creative role and you would like to come and stand at a station for the children to ask you questions then please contact myself.

We will be inviting parents into school for our Harvest productions - more information to follow and we hope we see plenty of you there.

Thank you and have a good weekend.

School Attendance

Have you ever thought about why good school attendance is important?

Going to school regularly helps children to build strong habits like time management, routine and responsibility. These are important skills in school and life, and can help to build a better future for your child. Good attendance in school, leads to good attendance in further education and in then in the workplace.

Pupils who attend school regularly, find it easier to develop good friendships. This often means that they go on to have a happier social life and are able to take care of their own wellbeing.

Better school attendance, leads to better attainment. Better attainment leads to better job prospects, better job prospects lead to a happier life.

Attendance record and lessons missed

Attendance record and lessons missed

- **95% attendance means 50 missed lessons. This means a child missed about 10 days/2 weeks of lessons in the school year.**
- **90% attendance means 100 missed lessons. This means a child misses four weeks of lessons in the school year.**
- **85% attendance means 150 missed lessons. This means the child misses almost 6 weeks of lessons in the school year.**
- **80% attendance means 200 missed lessons. This means the child misses over 7 weeks of lessons in the school year.**
- **75% attendance means 250 missed lessons. This means the child misses about 9 weeks of lessons in the school year.**

How does 'lateness' affect my child?

Being late on a regular basis is often stressful for children, as they can become very self-conscious about entering the classroom.
When a child arrives a few minutes late to school, they miss teacher instructions and introductions.
When a child arrives 10 minutes late, they miss learning time, such as: Handwriting, mental maths or spelling practise.
If your child is half an hour late, they will miss all of the above plus a chunk of maths, literacy or phonics teaching!

Can action be taken against me if my child is regularly late for school?

Yes. Should your child's lateness continue despite efforts to change this pattern a Penalty Notice will be considered. The school could also involve the Educational Welfare Officer (EWO) to complete an assessment and implement a plan.
The process is exactly the same as for Absence and can result in legal procedures.

The school day begins at 8.50am. Your child should be sitting ready to learn at 8.55am

Minutes late per Day	Equates to Days of Teaching Lost in one Year	Which means this number of lessons missed
5 mins	3 Days	15 Lessons
10 mins	6 Days	30 Lessons
15 mins	9 Days	45 Lessons

What **help** can I get with my child's lateness?

Lateness Matter!

When a child arrives late in school it often means that extra time is spent on settling them into class. This can cause disruption and disturb other children in respect of their learning.

It impacts on other children and the adults in school when children are regularly late.

Expecting to be late after 9.00? If you are on your way to school but have been delayed unavoidably then it helps to ring the school office and let them know that your child is coming. In that way adults in class can be made aware to expect them and issues such as lunch can be confirmed.

2027 school Admissions - window now open!

The application process for pupils beginning Primary School in September 2027 is now open.

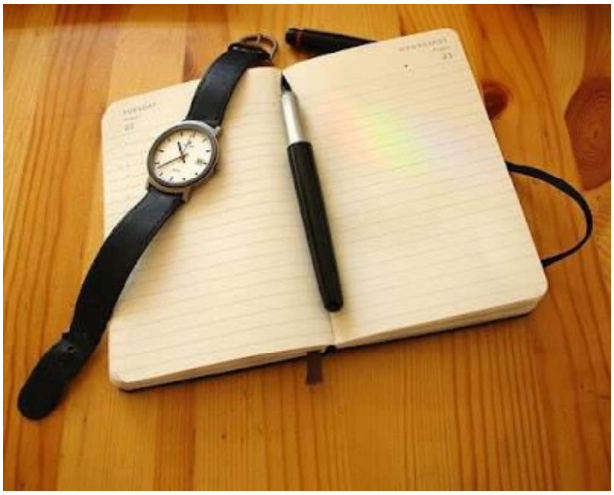

The deadline for applications is 15th January 2027

We are holding an Open evening between 6pm and 7pm on Tuesday 29th October for families who are interested in applying for a Reception place in September 2027.

- The classroom doors open at 8.50am, with the exception of the Butterflies and Busy Bees, who open at 8.45am. They close at 8.55am promptly. If you arrive after this time, you must take your child to the main entrance and sign them in. Please **do not** knock on the classroom door or try and gain the attention of a member of staff to open the door.
- If for any reason, we have to make the decision to close school - you will be informed as soon as possible via the SchoolApp. Please make sure that you have access to this app, as we use the messaging facility frequently. If you need any assistance with this, please speak to a member of staff from the office.
- Full uniform must be worn at all times, this includes appropriate footwear - not trainers. Trousers, skirts and dresses should be black, with white polo shirts.
- Long hair MUST be tied back at all times.
- Earrings cannot be worn for PE. We are unable to cover earrings with plasters, so any pupils who are unable to remove their own earrings will not be able to participate in the lesson. Any earrings worn in school (not for PE), should be small studs or sleepers.
