Headteacher Message

Hello,

Well what a fabulous week we have had at St Paul's. The sun has been shining and the children have been happy. The Sport's days have been a big success and I would like to thank the parents, friends and relatives for coming along and supporting the children. It was a super atmosphere and the children absolutely loved every minute. The Olympic athlete was another highlight to our week here and coincided well with with our sporting events.

The Y6 children should be very proud of themselves for the first class performance of 'Go for Gold' twice on the same day in the hot weather. It was a performance full of humour , history and lots of fabulous singing and acting. The Year 5 choir supported the performance well and

will get their chance to perform on stage next year. The SATs results will be released next Thursday 16th so the children are looking forward to finding out how they have done. We always tell them that they can only do their best and that is good enough for us.

Year 2 had a great day out at the circus - they were so excited on their way into school I thought they would burst!

The school is alive with red, white and blue today in preparation for the football game tomorrow night. Let's hope they win!

Y6 are getting ready to go on their residential to the Anderton Centre at Rivington Pike. They will just have the best time and remember the experience forever.

I would like to wish you all a lovely weekend, see you on Monday morning.

Kind regards

Mrs J Roberts

New Free Breakfast Club (Name to be decided by student council soon) - September 2026

We are happy to let parents know that the Free Breakfast Club will be starting from Monday 7th September.

This will replace bagel bar which will no longer be running.

The Free Breakfast Club runs from 8:15am until school starts. Please bring your children who are wanting to be dropped off at this club to the Hall Entrance, there is no need to pre-book for this club.

Our 7.30am Breakfast Club will continue to run alongside this free breakfast club at 8:15am which will have a reduced cost of £4 a day so they also get part of the free breakfast club arrangement. The 7:30am Breakfast Club still needs to be pre-booked.

Year 1

Year 1 have had a really exciting week. We started with Sports Day which was just fabulous. We were so proud of all the children for being so supportive and for trying their hardest. Mrs Roberts wanted to thank the parents too- that was the best parents race we have ever had and you made us all so proud of our Year 1 family, thank you! We enjoyed the visit from the Olympian on Wednesday and then on Thursday we had a hot and busy day out on the railway. It was fabulous to ride a real steam train and put our learning into action.
